

Saffron

Piano Voice

Two elegant ladies and a grand piano.

With silky tones and tinkling notes, Saffron serves an eclectic plate of easy listening music, infused with jazz, pop and blues, spiced with glamour and sophistication. Saffron conjures up the by-gone era of Hollywood Classic Films.

*Moody, yet bright,
Sultry, yet engaging,
Luxurious music to be sensed, seen and savoured.
Sprinkle a little Saffron on your event!*

Who is Saffron?

From her Australian roots, to the floor boards of Europe and back again via Asia, **Marissa Burgess** has covered the four corners of this world and the industry allowing its musical influences to flow into her. Her voice warms the room with a soulful, yet playfully engaging delivery with the innate ability to shift moods and genres in a breath. Being part of the inner circle of stellar performances, along side Ella Fitzgerald, Ray Charles, Elton John and Whitney Houston brings a deep understanding of stage craft and star quality. Coupled with the stature of couture model and leading lady of Paris cabarets, Marissa leaves an unmistakable glint of class.

With her natural ability for music, deep relationship with her piano and a curiosity to delve and diversify; **Carla M. Keely** is a prodigious young talent to behold. Cutting an elegant silhouette at her grand piano, Carla delivers a feminine yet firm acoustic performance. She delicately accompanies and supports the most seasoned vocalists yet deftly holds her own as a virtuoso performer and entertainer.
